

Inter-agency Emergency Service Organisation Liaison Channels

These simplex channels allow for direct (one to one) voice communications up to 5km between ESO agencies, they are **NOT** repeater channels and these channels are **NOT** encrypted. These channels are ideal for multi-agency co-ordination and communications during search and rescue operations.

 NSW Police Force	 NSW Rural Fire Service	 Ambulance Service of New South Wales	 SES STATE EMERGENCY SERVICES	 NSW Fire and Rescue Services	 Metropolitan Fire and Rescue Services
Zone 5 Ch 28 ESOSIM1	ESO SIM21	ESO SIMPLEX 1	411-ESO SIM1	A1301 ESO SIM1	Zone C Ch 25 ESO SIM1
